

The Third Double-E Jumble

Last year's two top winners in the second Double-E Jumble were Professor Drake – first correct answer and Eric M. Swanson, an ECE senior – second correct answer. Once again Professor Drake managed to take top place. Congratulations to the two winners and thanks to everyone who sent in their answers. The ECE faculty, staff, and your fellow alumni always enjoy hearing from you. Please send in your answers, either by e-mail or US mail, to this year's puzzle. Be sure to also let us know what you are doing.

Unscramble the four jumbles, one letter to each square. Hint, think past/next generation. Then, arrange the circled letters to form the answer to the puzzle.
